What is FIOCIO?

It is the only international trade fair in Spain that covers the entire leisure and family entertainment sector.

For three days, Hall 5 at Feria Valencia will be bringing together professionals, businesses and entrepreneurs all dedicated to the attractions, musical, cultural and sporting events, recreational games, technology and innovation sectors, amongst others. FIOCIO is therefore the meeting point par excellence for those wishing to discover the latest new leisure and entertainment related products and services.

Why exhibit at FIOCIO?

Exhibiting at FIOCIO is a unique opportunity for companies in the leisure and entertainment sector. It is the ideal platform for promoting your company, increasing your visibility and making contact with key professionals and customers in the industry.

FIOCIO is the ideal environment for sharing knowledge and experiences, exploring fresh business opportunities and staying abreast of a constantly evolving market.
